DETAILED ACTION

Applicant's amendment filed on 5/04/05 has been entered. Accordingly, claims 1-3, and 10-12 have been amended and claims 4-9, and 13-15 have been cancelled.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Leonard Belkin gave authorization for this examiner's amendment in a telephone interview on May 13, 2005.

The application has been amended as follows: Please cancel claims 10-12.

Remarks

This amendment was necessary in order to place the application in condition for allowance. We agreed that the cited art '871 reads on the amended claim 10 and thus the claims 10-12 are canceled by way of examiner amendment.

Reasons For Allowance

The following is an examiner's statement of reasons for allowance: Applicant's amendment has placed this application in condition for allowance.

Claim 1 is allowed because the prior art of record fails to teach or suggest a cell phone having an antenna and a light mounted on the distal end of the antenna. Claims 2-3 are allowed because being depended on base claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
